

The Transfiguration

Directions: Read *Mark 9:2-10*. Draw a picture of this scene and label all the people who were there.

“This is my beloved Son. Listen to him.”

Directions: Spend some time listening to Jesus in prayer. We listen in prayer by staying quiet, not talking, and letting God bring certain thoughts into our minds.

In the space below, describe the thoughts, memories, and images that God brought up for you during this silent listening prayer. They don't have to make sense. Just write down everything that came into your mind as you sat in prayer.
