## Teaching about the Law

**Directions:** Read *Matthew 5:17-27*. Pick one of Jesus' "You have heard it said . . . but I say to you" statements. In the boxes below, draw a picture of someone breaking the law (*you have heard it said*) in the first box and Jesus' challenge to go further (*but I say to you*) in the box on the right.

In the space provided, write a prayer to God asking for forgiveness for the times you have not lived out Jesus' challenge and then ask for his help to follow this law.
